PROFESSIONAL SUMMARY

Bachelor's Degree in Economics with a specialization in Marketing and over 15 years in real estate consulting and property management. Recent experience in facility maintenance operations and artificial intelligence. Currently active as Operations Supervisor at American Janitorial Services (AJI) and as an AI Analyst at Outlier. Bilingual Spanish-English.

EXPERIENCE

American Janitorial Services, Inc. (AJI) | *Cleaning Operations Supervisor*

April 2026 – Present · Mount Dora Christian Academy (MDCA), Mount Dora, Florida

- Supervises a team of 10 cleaning technicians at Mount Dora Christian Academy (MDCA), ensuring proper service execution during evening shifts, Monday through Friday.
- Plans and coordinates task assignments, quality standard compliance, and safety protocols established by AJI and the client.
- Serves as the primary point of contact between the operations team and AJI management, reporting incidents and ensuring service continuity.
- Conducts periodic inspections to verify cleaning standards and the proper organization of workspaces and materials.

▲ *Promoted from Cleaning Technician (February 2025 – March 2026)*

American Janitorial Services, Inc. (AJI) | *Cleaning Technician*

February 2025 – March 2026 · Lake County & Orlando, Florida

- Delivered cleaning and facility maintenance services across multiple commercial and public locations in Lake County, FL.
- Managed cleaning routes for public park restrooms (Lake County and Astor), maintaining quality and compliance standards on every visit.
- Operated assigned company vehicles and coordinated with driver teams to ensure full route coverage.
- Applied chemical handling protocols, safety standards, and preventive maintenance practices in accordance with AJI operational guidelines.

Outlier | *AI Analyst*

August 2024 – Present · Remote · Orlando, Florida

- Trains and fine-tunes Large Language Models (LLMs) using Reinforcement Learning from Human Feedback (RLHF) techniques.
- Designs and optimizes prompts in Spanish and English to improve model accuracy, coherence, and task alignment.
- Labels and annotates datasets for model training and evaluation; identifies biases and errors in AI-generated outputs.
- Evaluates model responses for factuality, relevance, and consistency; performs systematic fact-checking.

WorldMark Orlando – Kingstown Reef | *Resort Maintenance Technician*

March 2024 – May 2024 · Orlando, Florida

- Inspected guest suites (1, 2, and 3-bedroom units) verifying electrical systems, plumbing, appliances, lighting, televisions, phones, jacuzzis, and windows prior to guest check-in.
- Responded to guest maintenance requests, resolving issues in rooms and common areas in a timely manner.
- Performed remodeling and improvement work in resort offices and internal facilities.
- Carried out preventive maintenance in recreational areas including pools, jacuzzis, fitness center, and sports courts.
- Managed the maintenance workshop inventory, overseeing material replenishment and workspace organization.

Somos Manotas | *Maintenance & Operations Technician*

July 2023 – February 2024 · Laureate Park Village Center, Lake Nona, Orlando, Florida

- Performed comprehensive cleaning and maintenance across all Laureate Park Village Center facilities: Canvas Restaurant & Market, LP Fit, Aquatic Center, Dockside Event Venue, sports courts, and outdoor common areas.
- Set up and broke down events at Dockside: configured chairs, tables, podiums, and screens per event layout; provided porter service during events and handled post-event cleanup and equipment storage.
- Inspected pool safety equipment, maintained outdoor furniture (canopies, umbrellas, lounge chairs), and performed upkeep of sports courts.
- Performed general area maintenance: picking, blowing, waste collection, and trash transport to dumpsters.

Century 21 Chile | *Real Estate Agent*

January 2019 – March 2023 · Metropolitan Region, Santiago, Chile

- Guided clients through the purchase, sale, and rental of residential properties using market data and CRM tools (Ofinet, C21 Online).
- Managed property listings and built trust-based client relationships through effective communication and personalized follow-up.
- Handled full tenant management: applications, leases, rent collection, property records, and maintenance coordination.

Rent A House | *Real Estate Advisor*

March 2008 – November 2018 · Zulia, Venezuela

- Advised clients on the purchase, sale, and rental of apartments, houses, commercial premises, warehouses, and offices across the Zulia region.
- Managed property listings and maintained client relationships through personalized service and consistent follow-up.
- Administered leasing processes: applications, contracts, rent collection, and maintenance coordination using property management software (FlexMLS).
